

Message from the Provost

As CAL IMT continues to strive for excellence in education, service, and scholarship, it is my privilege to provide leadership in the areas of planning, operation, direction, and supervision of academics, programs, and resources.

CAL IMT is a learning-centered institute dedicated to connecting a diverse network of students around the world and providing a unique business administration curriculum that is geared towards preparing our students for the global corporate environment today. By providing an innovative, proprietary learning platform that enables students to interact worldwide, we facilitate superior experiential learning regardless of geographical location.

The goal of CAL IMT's academic program is to advance the intellectual and personal growth of all students through a wide spectrum of learning opportunities. To pursue this goal, paired with our accredited status, we are preparing diverse new programs that will cater to students seeking professional education for variety of career paths in the upcoming academic year. We also plan on introducing blended learning modes in the near future, where students can choose the flexibility of learning in the classroom or on their own through our online platform.

As the provost, I cannot be more excited for CAL IMT as we continue to grow and innovate ways we bring value to our students. Given our strong knowledge base in global business, the breadth and quality of our academic courses, and the dedication of our superior faculty, we hope to transform the online learning experience worldwide.

H. Clarissa Chaui, Ph.D
Provost

CAL IMT is a graduate school helping future global business leaders all over the world to achieve their personal and career goals.

CAL IMT was founded in Orange County, California, USA in 2010.

In 2011, it obtained approval by the California Bureau for Private Postsecondary Education to operate as a private postsecondary institution and in 2016, finally accredited by Distance Education Accrediting Commission (DEAC), which is recognized by the U.S. Department of Education (USDE) and the Council for Higher Education Accreditation (CHEA).

CAL IMT is to offer quality business programs with a global, cross-cultural focus as well as an emphasis on corporate social responsibility. By offering programs online, CAL IMT's goal was to make its programs both accessible and affordable to a diverse global student body.
